TO: William Rowe, EPA	FROM: Scott Thompson, OSDH	DATE 3-13-90 TIME _____
SUBJECT Fansteel Metals Facility, Musk., Oklahoma		
SUMMARY OF COMMUNICATION <p>Scott called to discuss jurisdictional issues at Fansteel. He indicated that OSDH was considering wastes at the site as under NRC and RCRA jurisdiction. I stated that correspondence in the file reflected a CERCLA role, but not a RCRA role. He acknowledged this, but explained that this might have been done to uncertainties associated with mixed waste regulation in the early 1980s. I indicated that the results of the planned environmental work at the site should be useful in determining if RCRA hazardous wastes are present.</p>		
CONCLUSIONS, ACTION TAKEN OR REQUIRED <p>I told him that EPA would provide a summary of the meetings with Fansteel, and would identify EPA RCRA contacts for him on this issue.</p>
